DISTRICT FUND ADMINISTRATION REPORT OF THE KOLAR DISTRICT FOR THE YEAR 1919-20..

--:000:--

Part I.

Creation of New Boards and abolition of existing -- Boards.

There was no change in the number of Local Boards in the District, which remained the same as in the previous year. But the District Board and the 11 Taluk Boards were brought under the new Local Boards and Village Pancha--yet Regulation VI of 1918 in the year under report.

The total number of Village Pancha--yats constituted under the said Regula--tion was 121 all of which with the exception of Madivala in Kolar Taluk had been formed before the close of the year.

Proposals for the formation of this Village Panchayat of Madival, were received late in the year and submitted to Government.

Appointment of non--official Presidents and Vice-Presidents.

No non-official President was appointed during the year but the Local Boards including the District Board --- having been authorised by Government to elect Vice-Presidents from among their members, all the Taluk Boards and the District Board elected non-official members as their Vice-Presidents except

in Chintamani Taluk where the --- Amildar, an ex-officio member was elected Vice-President.

Elections:--

2. During the year , elections were held in the Taluks of Malur and Srinivasapur in connection with the reconstitution of these Taluk Boards under the new Regula-tion and the result of election has been embodied in Appendix III.

The election held for the same purpose, in Chintamani Taluk having proved a failure, members were --- appointed by Government in default of election.

Village Panchayats.

Elections were also held in 5 Village Panchayats during the year and the names of gentlemen elected and nominated were publish-ed in the Gazette.

Chairmen were elected in 104 Village Panchayats as per --- particulars below:----

Kolar Taluk	15.	Village Panchayats.
Mulbagal "	9	"
Bowringpet"	4	"
Gudibanda "	6	"
Sidlaghatta"	8	"
Srinivasapur"	8	"
Bagepalli "	7	"

Chintamani Taluk	15	Village Panchayats.
Chickballapur "	9	"
Goribidnur "	23	"
Malur "	Nil.	
Total	104	".

No action was taken for the election of Chairmen in the Village Panchayats of Malur Taluk and in the following x Village Panchayats of Kolar Taluk in spite of repeatedly reminding Presidents of the said Taluk Boards.

x 1. Mudavathi.
2. Chennasandra.
3. Madanahalli.
4. Harati.

The Presidents of these Taluk Boards have again been written to to take immediate action in the matter.

Part II. Working of Boards & Committees

New ByeLaws and Rules framed or existing ones amended.

3 Bye Laws for the control of Tanneries and for storing hides, horns and skins framed by the District Board were sanctioned during the year in Government Order No. R. 7476--L.B. 88-18-4 dated the 7th January 1920.

The following Rules were sanctioned by Government during the year.

(1) Rules under section 56(b) and 62 of the Mysore Local Boards and and V.P. Regulation VI of 1918, for the levy of House and Shop taxes in the Village Panchayat

Government Order No. R.2668--L.B. 6-18-17 dated the 5th August,1919.

(2) Rules under section 23 (1) (iv) of Mysore Local Boards and Village Panchayat Regulation VI of 1918 for the levy of tolls upon carriages, carts and animals passing along roads and bridges vested in the District Board.

Government Order No. R.8711--L.B. 54-18-15 dated the 4th February 1920.

(3) Rules to regulate the training and employment of Vaccinators and the grant of scholarships to students for undergoing training.

Meetings and attendance.

4 The District Board held five ordinary and four special meetings during the year, the latter having been convened on the dates noted below and for purposes mentioned against them.

(1)	9. 7. 19	Election of members of the District ---
	10.7. 19 (adjourned)	Board for the Dasar Representative --- Assembly.
(2)	4.8.19.	To discuss the question of purchasing additional tender Locomotive at a cost of --- Rs. 60,000/- each.

(3) 19-12-19. To discuss the question of transfer of control of Primary Education to Local Bodies.

(4) 26.3.1920. To pass the Budget Estimates for the year 1920-21.

One meeting which was fixed on the 9th July 1919 for the election of District Board Members for the Dasara Representative Assembly had to be adjourned to the following day for want of quorum.

The total strength of the District Board according to the old Regulation was 25 and was raised to 39 according to Government Order No. R. 14082 --L.B. 91-18-18 dated the 5th May 1919 as detailed below:---

8. Ex-officio members.

21 Members elected by Taluk Boards.

4 --do-- by the Municipalities, of Kolar, Bowringpet, Chintamani and Chickballapur.

1 member elected by the holders of entire alienated villages.

5 members nominated by Government other than Ex-officio members.

The average attendance of ex-officio

and non-official members was 6 and 19 respectively, or 25 members on the aggregate, making about 64% per cent.

Taluk Boards.

All the Taluk Boards with the exception of Chintamani, Mulbagal and Sidlaghatta held the prescribed number of 6 ordinary meetings in the year. Malur and Gudibanda held 7 and 8 meet-ings respectively or 1 and 2 meetings more than the number fixed by Govern-ment while Chintamani, Sidlaghatta and Mulbagal fell short of the pre-scribed no. of 6 meetings by two and one respectively.

The President, Sidlaghatta Taluk Board has explained that, on account of some administrative inconveniences, the meeting for the election of the Vice-President, in the first ordinary meeting of the Board as required by the Rules which was intend-ed to be held in August 1919, was postponed while the Presidents of Chintamani, Mulbagal and Chintamani Taluk Boards have not assigned any reason for the short meetings.

Six meetings were adjourned, five for want of quorum, and one for --- reason already explained by the Presi-dent of Sidlaghatta.

The average attendance of official and non-official members at the ---

meeting of each Taluk Board was 2.6 and 7.7 against the sanctioned strength of 3.8 and 12.6 respective -ly. There was apparently no improvement in the attendance of the non-official members in the several Taluk Boards, the increase in the attendance of 2 members over that of the previous year, being only due to the increase in the strength of the non-official members of these Local Boards.

The poor attendance of non- -official gentlemen is more --- conspicuous in Goribidnur and Malur Taluk Boards, where only 6 and 5 members attended the meet- -ing against 16 and 12 members the sanctioned strength of these two Boards , respectively.

Appendix I details the --- strength of the several Local -- Boards, the attendance of members and the meetings held in the seve- -ral Local Boards in the District during the year under report.

Remarks about the interest evinced by non-official --- members.

5 The non-official members evinced great interest and took a lively part in the deliberations and discussions of the several subjects that came up before the District Board thus showing their

continued interest in matters of Self-Government.

The small percentage of attendance of the non-official members in the majority of the Taluk Boards, is not encouraging and it may therefore be inferred that the members did not take as much interest in the conduct of the Boards' business, as expected of them.

It is however hoped that with the development of the local Self-Government Scheme and with the responsibility and functions devolved on these local bodies, according to the new Local Boards Regulation and Rules more interest will be evinced in future in the administration of their affairs.

Measures of initiative or development proposed or carried out during the year.

6. The following are some of the important measures proposed or carried out during the year.

(1) The opening of a Local Fund Dispensary in Manchenahalli Village Panchayat of Goribidnur was approved by the District Board, and of two Vaidyasalas in Budikote and Sangana-halli villages of Bowringpet Taluk.

(ii) The purchase of two breeding

bulls, one for improving the breed and another for killing stray cattle. The Veterinary Dispensaries at Chikballapur and Kolar, were approved by Government.

(iii) The levy of fees on sheep and cattle that collect in the weekly shandy in Channapatti Village of Srinivasapur Taluk and the opening of a weekly Santhe in Hoskote Village, were sanctioned by Government.

(iv) The proposal for fitting up electric lights to Engine coaches of the Kolar District Railway was approved by the Board.

(v) Separation of District Fund and Taluk Fund Budgets, and assignment of certain additional functions and certain items of Revenue to Taluk Boards, were approved by the District Board.

Relations of the Board with one another.

7. The relations of the District Board with the Taluk Boards continued to be harmonious as no proposal or proposition of the latter Boards was either reversed or vetoed by the District Board. There was continued co-operation between these Boards.

Working of Village Panchayats.

8. During the year under report there were in all 120 Village Panchayats including the old Union Panchayats which were fully formed during the year. Except the following Village Panchayats, the other Panchayats did not convene the prescribed number of 12 ordinary meetings.

Taluk.	Panchayat.	No. of meetings held.
Goribidnur.	Hosur(Old union).	12.
"	Manchenahalli "	12.
"	Darinaikanapalya."	12.

Sidlaghatta.	Jangamkote "	12.
	Sadali "	13.
	Palacherlu (Panchayat.)	12.
	Anemadagu.	12.

It is much to be regretted that no meetings were held in the Village Panchayats under the control of --- of Goribidnur ,Bagepalli, Malur and Gudibanda Taluk Boards and also in 4 Panchayats in each of the Taluks of Kolar and Chintamani since their formation during the year.

Four Panchayats in Kolar Ta and one Panchayat in Chickballap conducted only one meeting thro -out the whole year.

bulls, one for improving the draught breed and another for milch strain, for the Veterinary Dispensaries at Chickballapur and Kolar, was sanc-tioned by Government.

(iii) The levy of fees on sheep and cattle that collect in the weekly shandy in Gownapalli Village of Srinivasapur Taluk and the opening of a weekly Santhe in Hebbani vil-lage , were sanctioned by Govern-ment.

(iv) The proposal for fitting up electric lights to gauge coaches of the Kolar District Railway was ap-roved by the Board.

(v) Separation of District Fund and Taluk Fund Budgets, and assignment of certain additional functions and certain items of Revenue to Taluk Boards , were approved by the District Board.

Relations of the Board with one another.

7. The relations of the District Board with the Taluk Boards continued to be harmonious as no proposal or proposition of the latter Boards was either reversed or vetoed by the District Board . There was continued co-operation between these Boards.

The President , Chintamani Taluk Board reports that out of 15 Pancha--yats established in the Taluk, 11 were in fair working order and that assessment of House and shop Taxes, was, in accordance with Government Order No. R. 2668--L.B. 6-18-17 --- dated the 25th August 1919, levied in 9 Village Panchayats from 1st. January 1920.

The Presidents of other Taluk Boards have not made any mention as to the levy of assessment ,etc., in the Panchayatsof the respective Taluk Boards, as required by the Government Order.

The Taluk Boards concerned under ~~control~~ whose control the administration of the several Vil--lage Panchayats, is carried out as required by Section 54 of the Local Boards and Village Panchayats Regula--tion VI of 1918 , will be requested to take immediate steps for giving effect to the Government Order and for the proper and regular working of these local bodies under the new Regulations and Rules thereunder.

Appendix V shows the working of the Panchayats, meetings and ---- attendance of members,etc.

P a r t III.

Financial Position.

9 Appendix VI gives details of ----- income and expenditure of the District Board for the year under report as compared with those of previous year and sanctioned Budget.

Income:---

The total receipts under the different budget heads amounted to Rs. 2,38,524/- against Rs. 2,14,328/- of the previous year. Excluding the Railway transactions, the income realized during the year from differ--ent sources was Rs. 1,11,908/- which includes a sum of Rs. 7,475/- drawn in excess by the Executive Engineer , Kolar towards the expenditure on District Fund Works during 1918-19, and subsequently refunded.

This item of Rs. 7,475/- being deducted the actual collections---- during the year amounted to Rs.1,33,433 against Rs. 1,51,072/- of the previous year. The net decrease of Rs.17,639/- was due to the 67% of cess on Excise Revenue not being credited to the Funds of the Board, by the Comptroller Office during the year of report.

A Local Cess.

The 76% of the receipts under Local Cess on Land Revenue together

with a sum of Rs. 995-7-0 being duty on Ganja for the year 1918-19 was credited to District Funds by the encashment of Preaudit Cheque issued by the Comptrollert amounted to --- Rs. 83,957/- against Rs. 1.02,952/- in the previous year.

The collections of cess during the year under report was better than the previous year, as there was an increase of Rs. 3991/- during the year, as shown below:----

	Collection of past year. 1918-19.	Collection during the year 19-20.	Excess.
	Rs. 1,02,952/-.	83,957/-.	
Deduct amount adjusted by preaudit cheques. 67% on Excise Revenue.	23981	995/-.	
Balance.:--	78,971/-.	82,962/-.	Rs. 3991/-.

"B" House Tax including Mohatarfa.

The house and mohatarfa taxes collected in the Unions, aggregated Rs. 11,522/- against Rs. 9,614/- in the year 1918-19, while there was a small fall of Rs. 316/- in rural mohatarfa collections which amounted to Rs. 26,014/- during the year.

"D" Fees , Fines and Miscel--laneous.

The total realizations from the Cattle Pounds and other minor items were Rs. 15,876/- or Rs. 7889/- more than the previous year, the increa

being due to the refund of Rs. 7475/- drawn in excess by the Department of Public Works for District Fund Works.

"E" Contributions and Grant--in-aids.

A sum of Rs. 1518/- towards the moiety of the salaries of the Sani--tary Inspectors on the Frontier Taluks for the year 1917-18 which was payable by Government and Municipali--ties was adjusted during the year.

"F" Public Debt.

The amounts credited to Deposits and contributions from Ryots for drinking water wells , were Rs.3021/- against Rs. 2838/- in the previous year.

Expenditure.

10. The total expenditure of the Board excluding the Railway transac--tions amounted to Rs. 1,41,902/- against Rs. 1,46,128/- in the previous year, the net decrease of Rs.4226/- being due to lapses under Public --- Works and well-works carried out during the year.

Closing balance.

11. The statement appended shows the transactions of the District --- Board proper and the same amalgamate with the Railway transactions.

Particulars.	District Board proper.	Drinking water wells.	Railway transactions.	Total including Railway tran--tions.
Opening balance.	1,92,149.	33,463.	-5,21,946.	-2,96,334.

Allotments of Funds among Taluk Boards and Union Panchayats.

12. As required by clause(f) of the Rules framed under section 37 of the Local Boards and Village Panchayats Regulation VI of 1918, One half of the local cess has been allotted to the Taluk Boards and the District Board have also assigned by a formal resolution the following items of revenue , to the Taluk Boards which is pending sanction of Government.

(a) Fines and surplus sale proceeds of cattle.

(b) Rents and fees leviable under section 38(a) and (b).

(c) Fees for the temporary use of cart stands, markets, market sites, village sites and other similar public places on the occasion of fairs and festivals.

Demand, Collection and Balance.

13. Appendix IV shows that the total demand including arrears of previous years amounting to Rs. 42,997/- was Rs. ~~2,82,966~~/- 2,83,133/- of which Rs. ~~2,35,504~~ 2,35,671 was collected during the year and Rs. Rs. 911/- written off the accounts, leaving a balance of Rs. 46,551/- yet to be collected at the end of the year.

14 Excluding the local and Railway cesses and rural-mohatarfa Taxes which were assigned usual collec

in the Revenue Department and assigned to the District Board, and the figures ~~of~~ relating to which were adopted from the Demand, Collection and Balance statement prepared in the Revenue Department, the remaining items of Revenue, (Viz.,) House and Mohatarpha Taxes in the Village Panchayats and other items including rents) were collected by the Boards' staff and credited direct to the Funds of the Board.

15. The demand including arrears under House and Mohatarpha Taxes in the several Village Panchayats amount-ed to Rs. 32,893/-, of which Rs. 14,277/- was collected during the year. The balance left at the close of the year, Viz., Rs. 18,616/- exceed-ed that of the previous year by --- Rs. 783/-. The collection of these Taxes was very poor and unsatisfactory, particularly in the old Unions of Mulbagal, Goribidnur, Bowringpet, Malur, Sidlaghatta, and Chintamani Taluks. The details of demand, collection and the percentage of --- collection are shown in the margin.

Rs 11522 old Unions + 2755 New Village Panchayats = 14,277/-

Srinivasapur and Mulbagal are conspi-
-cuous with their low percentage of
collections which were only 16 and
23 Percent, respectively.

The chairmen of the Village Pancha-
-yats responsible for the large ----
accumulation of arrears, should
pay more attention to this important
matter and every effort made to
reduce the outstanding balance, by
adopting coercive measures for the
collection of arrears as required by
law.

Part IV. Public Works.

16. Important works executed, etc.

Appendix IX:--

Appendix IX particularises the works costing over Rs. 500/- executed during the year. The opening of the road from Srinivasa-
-pur to Punganur covering a distance of 10 miles which is estimated to cost Rs. 44,547/- and for which a contribution to the extent of $\frac{1}{4}$ of the total cost, has been granted by Government, was in progress during the year in the Public Works Depart-
-ment, and a sum of Rs. 6069/- was spent for the road during the year.

The total cost incurred towards the improvement and maintenance of

Public Works executed by the Department of Public Works.

roads and other works includingesta-
-blishment and tools and plants charges during the year, was Rs. 56,817/- against Rs. 55,720/- in the previous year, and against the total Budget grant of Rs. 61,124/- for the year of report resulting in a small lapse of Rs. 4307/- or 7 per cent of the grant . The lapse was observed chiefly on the works noted below:----

Name of work.	Grant.	Expenditure.	Lapse.
1. Improving Manchenahalli Thondebhavi Road.	2000/-.	570/-	1430/-.
2. Sidlaghatta Dibburahalli Road.	1000/-	218/-	782/-.
3. Special repairs of Mulbagal-Goribidnur Road.	1500/-	845/-	655/-.
4. Opening out Srinivasapur--Punganur Road.	7000/-	6069/-	931/-.
5. Annual Repairs of Mulbagal--Goribidnur Road.	8050/-	7108/-	942/-.

"B" Public Works executed by the Civil Department (i.e. Boards Agency.).

The original and repair works executed by the Boards Agency cost Rs. 16980/- against the budget grant of Rs. 34,300/- for the year of re--port , and Rs. 20056/- of the ---- previous year, and resulted in a total lapse of Rs. 17320/- or 50% of the allotment as detailed in Appendix XI . As compared with the previous year, the progress of works during the year was not satisfactory for reasons explained

below:----

The following statement gives details of grants sanctioned , for the several Taluk Boards in the District, the progress of works in each Taluk and the lapses.

Taluk Boards.	Total grants.	Total Expenditure.	Amount of lapse.	Percentage of lapse.
Kolar.	520	271	249	48%
Bowringpet.	3675/-	1714	1961	53%

The provisions for the fol-lowing works were not appropri-ated during the year, for ---- reasons stated against them.

Particulars.	Amount.	Reasons for lapse.
1.Mulbagal-Goribid--nur Road.	5000/-.	Provision was made under reserve grant to meet the enhanced rate of mileage-grant for this road, pending orders of Government in the matter of the transfer of this road to State Funds for maintenance. The Boards' proposal was however not approved and the final orders of Government were received in February 1920. Hence the provision was not utilised during the year.
2.Kuppam -Kolar Gold Field road , via Budagur.	1000/-	This is a contribution from the District Board. The work was not taken on hand during the year.
3. Construction of a Musafar--khana at Batlahalli.	1000/-.	The estimate has been sent up for scrutiny in Department of Public Works and has not been returned yet.
4. ---do--- Chickballapur.	2000/-.	Estimate for the work has not been pre--pared.
Total:--	9000/-.	

The progress of works in Goribidnur Taluk was very unsatis--factory and this Taluk Board was responsible for a lapse of 96% of the grant allotted for the Taluk. Against the grant of Rs. 3290/- for the Taluk, only one work ,viz.

repairing road in Manchenahalli Union was executed and completed during the year at a cost of Rs. 100/- .

Estimates sanctioned for works to the extent of Rs. 3213/- were not worked out during the year and the President explains the heavy lapse being chiefly due to the want of contractors to undertake the works at the sanctioned rates when high prices of food stuffs and labour were prevailing. This explanation cannot be considered satisfactory as invariably the local rates provided in the estimates were sanctioned for works in the Taluk.

In Kolar and Gudibanda Taluk Boards, the small allotments of Rs.520 and Rs. 600/- respectively were not worked out and nearly 50% of the grant was allowed to lapse during the year.

The following table shows the progress of works done in each Taluk Board in the order of allotments worked out during the year.

Total.	16980/-.

The bulk of the expenditure was on repairs and maintainance of roads, the outlay being ---- Rs. 10,362/-.

The construction of tunnels and ~~drains~~ dams cost Rs. 1100/- and Rs. 1721/- was spent on the ---- construction and repair of drains.

The ~~construction~~ cost in--curred on the construction and repair of buildings such as ---- Musafarkhanas, Travellers' Bunga--lows& Cattle Pounds amounted to Rs. 3387/-.

Four wells were repaired at a cost of Rs. 369/- and Rs. 40/- was paid towards compensation for the acquisition of a private site for extending the compound of the Musafarkhana at Masti in Malur Taluk.

Condition of roads.

17. The condition of roads main-
-tained in the interior of the Taluks by the Civil Department was reported to be not satisfactory and these roads require more attention and funds for bringing them to the standard of roads maintained through the Agency of the Department of Public Works.

A comprehensive programme of these roads with a liberal mileage allot-
-ment has to be prepared and worked out annually as is done in the ---- Department of Public Works as funds permit.

In Srinivasapur, Mulbagal and Bagepalli Taluks, the roads were im-
-proved at a cost of Rs. 2289/- ,2395 and 2202/- respectively during the year, while the improvements effected in other Taluks were not appreciable.

Village Improvement Works.

18. ~~Later~~ Village Roads.

Estimates for Rs. 6488/- for open-
-ing new Village roads or repairing the existing ones were sanctioned during the year as against Rs. 3036/- in the year previous, the Government-
-grant being Rs. 5030/-.

A sum of Rs. 2783/- was actually spent during the year under report as against Rs. 200-14-6.

It is reported that about

miles of new roads were opened during the year in the Taluks of Kolar, Mulbagal, Bagepalli, and Goribidnur and that all the existing village roads were main-tained in good condition.

Water Supply.

The total cost of well works executed during the year was ----

Rs. 12825/- against Rs. 18982/- in the previous year.

During the year water facili-ties were afforded to the depressed classes and of the 75 wells sanc-tioned during the year, 51 estimated at Rs. 17,412/- were sanctioned for the use of these classes of people, distributed among the several Taluks as shown below, waiving contribution according to Government Order No.R. 2360-70/Ml. 30-18-5 dated the 16th August, 1929.

From the statement ~~over-leaf~~ on page 23 hereof, it is seen that the progress of well works in the Taluks was not as satisfactory as it was in the previous year, but the no: of works which were brought to completion during

the year was 82 against 26 or 56 more than the previous year, more than 50% of these works being in the Bowringpet Taluk.

It is gratifying to note that Bowringpet Taluk has been showing good progress in this direction, as out of the 244 wells completed in the District since the inauguration /of the ~~Department of Public Works~~ drinking water wells only Scheme 97 wells or more than a third of the total number ~~have been~~ were executed and completed in this Taluk, by the Shirastadar Amanis.

In Mulbagal and Srinivasapur Taluks 42 and 32 wells were completed, while the progress in other Taluks was slow and not quite satisfactory.

In Chikkaballapur Taluk no work was done during the year, nor any attempts made to undertake fresh works and complete old well works which had remained in-complete . There were 13 incomplete works, outstanding from the year 1914-15, requiring early attention.

The President ,Bagepalli Taluk Board attributes the poor progress to the heavy rains during the year which retarded completion of the wells, while the President, Goribidnur re-ports that the lapse was due to the failure of the Ryots not carrying out the earth-work promised by them. This explanation is hardly acceptable.

At the close of the year, there were 218 incomplete wells. Some of

these wells which were sanctioned in the year 1914-15, and 1915-16 are still pending completion. The Presidents of Taluk Boards will be requested to take early action for completing and closing these works.

One Well-Mastry on a pay of --- Rs. 25 plus 10/- continued to work in Bowringpet Taluk and a new man was entertained in Malur Taluk at the latter part of the year. The esta--blishment charges incurred during the year was Rs. 499/- .

20 · The Special Sanitary Staff --- consisting of a Sanitary Inspector with a Maistry and ~~seven~~ sweepers sanctioned for safe-guarding the --- sanitation of the Villages on the Palar with a view to protect the water supply to Kolar Gold Fields continued to work under the direct control of the District Medical and Sanitary Officer and no water borne disease was reported during the year in the said area.

Supervision of works by non-offi--cial Members.

21/ The works under progress were not supervised by the non-official members of the several Taluk Boards except in Bagepalli and Chintamani where the Presidents have reported that the works were supervised by the

non-official members and panchayats, while in progress in their limits of their respective villages and Village Panchayats.

During the year under report the non-official Vice-Presidents appoint-ed to the several Taluk Boards --- checked the measurements of almost all the works executed in the Taluk Boards.

District Board Railway.

22. The table below shows the receipts and expenditure together with open--ing and closing balances under Railways during the year:---

Particulars.	Opening balance.	Receipts.	Expenditure.	Closing balance.

The total demand including arrears under Railway Cess on Land Revenue was Rs. 65,188/- of which a sum of Rs. 55,747/- was collected and Rs. 44/- written o the accounts.

The balance yet to be collected at the close of the year was Rs. 9397/- as per figures adopted in the Demand, Collection and Balance of Revenue Department

Interest on Investment.

A sum of Rs. 9819/- being the --- interest realised on the securities of Government of India Pro-Notes invested by the District Board, for the two half years which ended on the 30th June 1919 and 31st. August December 1919 was adjusted by preaudit cheques issued by the Comptroller and credited to the Funds of the District Board.

Rs. 72/- was paid towards the interest on Debenture Bonds as per instructions from the Comptroller, and the pay and allowances paid to the Railway Clerk in the District Board Office amounted to Rs. 594/-.

The income from Railways credited to the Funds of the District Board has not been transferred to the Board nor the working expenses ---- debited since the commencement of the working of the line.

Part V.

Public Health and Vital Statistics.

26 Appendix XV shows that there were

8991 births and 8623 deaths during the year against 10659 births and 43945 deaths of the previous year. The large decrease in the number of deaths was due to the absence of Influenza Pandemic during the year of report.

The mdrtality from Plague ,Cholera and Small pox, was also less, being only 137, 273 and 756 against 650, 904 and 838 deaths respectively of the prceding year.

The public health was generally good throughout the year.

Part VI.

Conservancy and Sanitation.

24. Working of the Village Panchayat Rules.

The number of Villages in which the Village Sanitation Rules were intro-duced was 1680, and in 21 Villages of Goribidnur and Bagepalli Taluks, separate places were reported to have been set apart for storing manure during the year under report.(Appendix XIII).

Appendix XIV shows that prose-cutions for the breach of the Vil-lage Sanitation Rules were insti-tuted in 16 cases of which 12 cases were disposed of during the year. One case in Chintamani Taluk was trans-ferred to Sidlaghatta Taluk and was

pending enquiry and three cases, (2 in Bagepalli Taluk and 1 in Gudibanda) were pending disposal at the close of the year.

Eleven persons were convicted and sentenced to a fine of Rs.89-13-4 and one case ended in the acquittal of the person.

1219 applications for licenses to build or repair houses were re--ceived during the year, which with the 580 applications pending at the beginning of the year, totalled to 1799. Licenses were granted in 1174 cases and refused in 40 cases. 585 applications were pending disposal at the close of the year and it will be seen from Appendix XII that out of 585 applications 120 and 100 re--mained undisposed in Kolar and Chintamani Taluks. Mulbagal and Sidla--ghatta and Chikballapur Taluk Boards were also responsible for 67,62 and 61 pending applications. The Presidents will be requested to take early steps to dispose of the pending applications and minimise the number as far as possible.

Removal of Prickly Pear, etc.

25 In 130 Villages of Bowringpet Taluk, 85 Villages of Chintamani and 5 Villages of Sidlaghatta Taluk, pricklypear and rank vegetation were reported to have been removed without

incurring any cost by the Taluk Boards concerned.

The President, Mulbagal Taluk Board has reported that a sum of Rs.417/- was incurred out of the Village Improve--ment Scheme for the removal of the pest, in the villages of Virupakshi (Rs. 293/-), Rampur(56/-), Nangli 50/- and Kothamangala 18/-.

An estimate amounting to Rs. 100/- for the removal of prickly-pear and filling in an insanitary pit in Suli--kunte Village, was sanctioned during the year out of District Funds.

Prevention and Suppression of Epidemics...

26. During the year under report, Plague prevailed in a few Villages of Kolar, Chintamani, Sidlaghatta and Chikkballa--pur Taluks in a less severe form. Evacuation of infected villages was resorted to, and the Epidemic dis--appeared after a short interval.

Cholera was prevalent in an Epi--demic form in 25 Villages of Gori--bidnur Taluk where the mortality from the epidemic was 152 or more than 50% of the total no. of deaths from the Epidemic for the District.

Prompt measures were adopted in the suppression of the Epidemic in hanka--nising the wells and in the destruction

of vomettings and other infectious mat-
-ters of the Cholera patients by dump-
-ing them in pits and covering them
with fresh earth, so as to prevent its
futher spread.

Regulation of Markets and Slaughter House.

27 None in the District.

~~27.~~

Fairs and Festivals.

28 Appendix VII shows that two Cattle Fairs were held in Vanarasi and Melur in connection with the Jatras in March and April 1920, the income derived by the collection of fees on shops ,etc., thereat being Rs. 1609/-.

(Police and other arrangements at the Jatras.).

A staff of 15 constables with a Police Inspector and Sanitary Inspector were specially detailed for duty at the Jatra in Vanarasi

Four watchmen were posted for guarding the "Water-SupplyHonda" against contami-
-nation.

A sum of Rs. 10/- is reported to have been advanced for making necessary sanitary arrangements during the period of Jatra.

Part VII. Medical Relief.

29. Working of Local Fund Dispensa-
-ries.

(29) 13. Dispensaries were subsidized

by the District Board as in the previous year and the amount of contribution paid towards the maintenance of these Institutions was Rs. 4976/- against Rs. 4614/- in the previous year, the increase being due to the adjustment of the cost of country medicines paid during the year. The total number of patients treated in these Institutions during the year was 1,44,862/- against 129930 in the year 1918-19.

The District Board approved of the proposal to open a Female Dispensary in Chintamani Town and a Local Fund Dispensary at Manchenahalli of Gori-bidnur Taluk. The proposal to entertain a relieving compounder for the District was also sanctioned by the Board during the year.

Midwives and Materinity.

30. Appendix XVII gives the details of the number of midwives subsidised from District Funds and the cases attended to by them during the year as compared with that of the previous year.

There were 12 midwives attached to the Local Fund Dispensaries and the Civil Hospitals at Kolar as in the previous year who attended 39 labour cases against 43 in the year 1918-19 in rural areas, the contribution paid towards their salaries being Rs. 1182/-.

The proposal of the Senior Surgeon to the Government of Mysore to increase the pay of these midwives was approved by the Board during the year.

Ayur-Vedic and Unani Dispensaries.

31. In addition to the Vaidyasala at Sivarapatna of Malur Taluk, 3 Ayur--vedic Vaidyasalas were opened in Masti Darinaikanapalya and Thimmanayakana--halli villages, the total cost incurred towards the grant-in-aid and the cost of medicines for these Institutions being Rs. 565/- against Rs. 81/- in the previous year.

The work done in these Vaidyasalas is shown below:---

Name of Vaidyasala.		No. of outpatients treated in the year.
Sivarapatna,	Malur Taluk.	6851.
Masti.		4821.
Thimmanaikana--halli	(Sidlaghatta Taluk).	270.
Darinaikanapalya.	(Goribidnur Taluk).	4178.

Proposals for the establishment of new Vaidyasalas in Burudugunta of Sidlaghatta Taluk and Sanganahalli and Budikote of Bowringpet Taluk were --- also sanctioned by the Board.

Cattle Mortality.

32 The total number of cattle of various kinds reported to have died during the year was 8559 as against 14548 in the year previous, showing ~~the~~ a decrease of 5989 under this head. Of these 8559, 8447 were horned cattle including sheep and goats, 238 and 935 cattle were killed by wild beasts and died of acci-dents respectively.

The cattle suffered mostly from Rinderpest. A few cases of Black Quarter were also reported.

Necessary preventive action was taken to arrest the spread of these epidemic diseases.

The Veterinary Inspectors of Kolar, Chintamani and Chickballapur inoculated 6081 cattle as detailed in the margin and gave necessary instructions to the villagers in the matter of taking timely precautinnary measures and treatment of sick cattle.

Civil Veterinary Department.

Three Veterinary dispensaries, one at each of the Head-quarters of the Revenue Sub-Divisions were working during the year, the one at Chintamani having been opened on the 12th December 1919. The chief items of work done by the Veterinary Inspector of Kolar and Assistant Veteri-nary Inspectors of Chintamani and Chick-ballapur are detailed here-under:---

Dispensary.	Total no. of daily attendance.

Dispensary.	Total no. of daily attendance.	No. of patients treated.	No. of operations performed.		No. of Castrations performed.	No. of inocula-tions against Rinderpest.
			Minor.	Major.

Chintamani.	422	158	29	--	25	864.
Total:--	8835.	2225.	175	185.	91	6081.

It will be observed that very good work was done during the year in these Dispensaries which are getting more and more popular.

The Veterinary Inspector of Kolar reports that the inoculation work was retarded for want of serum. In all the three Dispensaries useful and up-to-date appliances are reported to be in urgent need. Better Dispensa-ry buildings and accommodation for in-patients are also necessary. The Veterinary Inspector of Kolar and the Assistant Veterinary Inspector of Chintamani complain that the patels do not report the out-break of Epidemic Diseases in spite of the Revenue Commissioner's circular order on the subject. Needful instructions

will be issued to them in the matter.

3.	" N. R. Srinivasa Iyengar, Assistant Veterinary, Inspector,Chinta--mani.	71	15	946.	412.

The work done by these officers during their tour is reported to be inoculation of cattle and giving lectures to the villagers on the scientific method of castration treatment of sick cattle and the preventive measures to be taken on t the out-break of Epidemic Diseases. They also attended the various Jatras and cattle fairs held in the District during the year and adopted the needful precauthonary measures be--sides practically demonstrating the scientific method of castration of bulls.

The Veterinary Inspector of Kolar and the Assistant Veterinary Inspectors of Chintamani report that they made the half yearly inspection of Jatka ponies. The former says that the animals were in good condi--tion except in the Kolar Gold Fields and that there were 14 prose--cutions for cruelty to animals all of which ended in conviction.

The Assistant Veterinary Inspector of Chintamani brings to notice that no action was taken by the Police against those persons who were using the animals declared unfit for use. Suitable notice will be taken of the conduct of the Police Officers res--ponsible.

The Assistant Veterinary Inspectors of Chickballapur has not given any ----- particulars under this head.

The necessity of breeding bulls and stallions in the Dispensaries has again been urged by the Veterinary ---- Inspectors. The purchase of 2 breeding bulls for the Hospital at Kolar and Dispensary at Chickballapur was sanc--tioned by Government during the year.

The Veterinary Inspector of Kolar reports that he has not been able to engage the services of a competent Farrier sanctioned by Government for this dispensary as the pay of the ----

appointment is small being Rs. 12/- per mensem and recommends that it may be raised to Rs. 20/- . Needful action will be taken in the matter separately.

Vaccination.

33. The total number of Vaccinations performed in rural areas was 15,532/- against 12,200 in the previous year (Appendix XVIII) the number of successful cases being 13,325/- or 80 per cent of the cases vaccinated . The total cost incurred towards establishment and other charges , was Rs. 6081/- during the year.

During the year Manchenahalli in Goribidnur Taluk was formed a new circle and a separate Vaccinator was posted for work in the circle.

Accommodation for Travellers.

34. The District Board as usual --- maintained(17) seventeen third class Travellers'Bungalows, 58 Musafarkhanas, 2 Chattrams, 3 bathing ghats and 1 water Tank at a total cost of Rs. 7035/- the purchase and repair of vessels ,etc.,for these Institutions costing Rs. 364/-. The amount of fees realised during the year for halts by travellers was Rs. 365/- against Rs. 594/- of the previous year.

The Musafarkhanas constructed out of Village Improvements Funds in Manchinahalli -kote of Srinivasapur Taluk was transferred

to the Taluk Board for maintenance , and a caretaker on a pay of Rs. 4/- was sanctioned by Government to look after the Musafar--khana.

Cattle -Shows & Exhibitions.

35 No Cattle Shows were held during the year.

Exhibitions.

In accordance with the instructions issued by Government an Exhibition was held in connection with each Taluk Confer--ence with the object of stimulating the development of arts, industries , manu--factures , trade and commerce by present--ing a display of the material resources, the process of manufactures in vogue and /the finished products.

A District Exhibition was also held in connection with the District Confer--ences . It was opened by the Deputy Commissioner and President on the morning of the 15th April 1920 and continued up to the 19th . Admission was free and not less than 10000 people visited the Exhi--bition.

The Exhibition was confined to the products of the District excepting the articles sent by the various Government Institutions. The number of articles exhibited was 4780.

One Special Feature of the Exhibition

was the women's section organised by the Ladies Club at Kolar. The exhibits in this section were confined to the works of adult women of the District.

This Exhibition was in every respect an improvement over its predecessors. The Educational Court , the Ladies Section , the Forest , Furniture, Industrial, Agricultural, Sericultural, General and Panchama Sections showed perceptible improvements. The improvements made in the manufacture of Donegal coating pieces, and of silk sunproof cloths and other silk articles in Gudibanda and elsewhere and the profitable use found and made of the handspun silk were all in evidence.

There were large collections of locally made dolls, leather, textiles and other articles.

There were agricultural weaving and silk reeling demonstrations . A Sharpes Dairy out-fit was worked and shown to the visitors. The use of fly-shuttle looms in Kambli Weaving was exhibited for the first time. Competition in weaving, cotton and woollen goods by means of fly shuttles and country looms and in the reeling of silk were held and prizes were awarded.

A large number of prizes was given, one Gold Medal, 18 Silver Medals, 24 Bronze Medals, 52 Money Prizes and 46 Honourable

Mention Certificates were awarded.

A sum of Rs. 500/- was contributed by the Board towards the expenses.

36. C. Ferries. N i l .

Cattle Pounds.

37. The income derived from the several Cattle Pounds in the District amounted to Rs. 5622/- of the previous year, the commission and feeding ---- charges paid during the year being Rs. 1159/-.

Facilities for the improve--ment of Cattle.

38. The purchase of two breeding bulls, one for improving the milch strain and another for improving the draught breed for maintenance in the Kolar Veterinary Hospital and Chickk-ballapur Dispensary respectively was sanctioned by Government during the year and the Director of Agri--culture has promised to supply the best bulls for this District at a cost of Rs. 500/- each.

Part. IX.

Accounts and Audit.

39 The accounts of the Board up to the end of December 1919 were audited in

full detail by the Auditors deputed from the Comptroller's Office and no serious irregularities were brought to notice .

G e n e r a l.

40 The non-official members of the District Board continued to take much interest in the affairs of the Board, and with their co-operation and help, the conduct of work in the several meetings of the Board was a success.

The non-official Vice-Presidents of the Taluk Boards and the District Board were also of great help to /the Presidents of their respective Local Boards in carrying out the work of the several Boards.

O r d e r -- No. R. 10648-50

Dated Bangalore, the 26/3/1921

R e c o r d e d.

2. Constitution.

The number of local boards remained the same as in the previous year, the District Board and 11 Taluk Boards having been brought under the new Local Boards and Village Panchayet Regulation.

3. E l e c t i o n.

All the Taluk Boards, except Chintamani, elected their non-official Vice-Presidents. In the case of Village Panchayats it is observed that elections were held in only five of the 120 Panchay[illegible] The attendance of voters at the election of members to the several Boards was also very meagre.

4. Meetings and Attendance.

The District Board held 5 ordinary and 4 special meetings and the attendance of the members therein was satisfa[illegible]

being about 64 per cent. The non-officia members are reported to have taken keen interest in the deliberations. The special Finance committee of the District Board consisting of officials and non-officials formed for checking the accounts of the Board met 5 times during the year and scrutinized the accounts and the budget. All the Taluk Boards except Chintamani, Mulbagal and Sidlaghatta held the prescri ed number of meetings. The average attendance of official and non-official members at the meetings of the Taluk Boards was 2.6 and 7.7 against the sanctioned strength of 3.8 and 12.6 respectively. The non-official members in the several Taluk Boards have not taken much interest in the meetings. It is hoped that the large powers conceded to the Taluk Boards will make the members realis to a greater extent their responsibility in the proper management of the Taluk Board affairs. It is also seen that though 120 village Panchayets were fully formed during the year, only 8 panchayets held the prescribed number of meetings. This is very unsatisfactory and it is hoped that the local officers will take needful steps in popularising these local bodies.

5. Finance.

Excluding receipts under "Public Debt" the actual income of the District Board was Rs.2,35,503/- showing an increa

of Rs.24,013/- over the amount of the previous year. The chief items which contributed to the increase were (1) under the railway cess to the extent of about Rs.35,000/- and (2) local cess under land revenue. ~~(The collections of house and mohatarfa taxes in unions show some improvement during the year, while the fall in the rural mohatarfa is not very appreciable, the amount collected being Rs.35,014/-)~~

The total expenditure of the Board amounted to Rs.1,41,902/- against Rupees 1,46,128/- and the variations are not sufficiently large to call for any remark. Including railway transactions, the year closed with a minus balance of Rs.2,00,380. The question of disposing of the 3½ per cent securities to wipe off this minus balance is still pending consideration of the Board. It is hoped that early settlement will be effected regarding the adjustment of railway accounts and an early decision will be arrived at to maintain a proper balance. The total demand under all heads including the arrears of previous years was Rs.2,83,133 of which Rs.2,35,671 was collected leaving a balance of Rupees 46,551. The demand under house and mohatarfa taxes in village Panchayets amounted to Rs.32,893, and the collection was only Rs.14,277, leaving a balance of Rs.18,616. Government agree with the President in observing that the collection

work

work ~~(under this head)~~ in the village Panchayets is very poor. It is hoped that these Panchayets will show more activity in collection work and reduce the arrears to the least possible minimum.

6. Public works.

Out of the total grant of Rs.61,12 for works executed by the P.W.D. the tota cost incurred was Rs.56,817. But under works executed by the Civil Department there was a lapse of Rs.17,320 (50 per cent) while the allotment for the year was Rs.34,300. In the Goribidnur taluk as much as 96 % of the grant was allowed to lapse. It is hoped that better attention will be paid to the programme of works ~~to be taken up~~ and their execution during the current year.

7. R o a d s.

Though the estimates for the Srinivaspur - Punganur Road were sanctioned in 1918-19, the progress made during the year was very meagre as only a sum of Rs.6,069 have been spent for the work out of the total estimate for Rs.44,547. The condition of the roads maintained in the interior by the Civil Department is stated to be unsatisfactory. The District Board will see that all their roads are kept in an efficient condition and that the allotmer therefor in the budget are fully utilized.

8. Water supply.

A sum of Rs.12,825 was spent on

well works carried out during the year against Rs.18,982 in the previous year. It is satisfactory to note that 82 wells were completed during the year, as again 26 of the previous year, the Bowringpet Taluk contributing the largest number viz., 49. Fifty one wells estimates at a cost of Rs.17,412 were sanctioned for the use of the depressed classes no contribution being recovered in these cases. Though 244 wells in all have been completed under the scheme, it is seen that, except in the Taluks of Bowringpet, Mulbagal and Srinivasapur, the progress in this direction is very slow. It is hoped that the Presidents of the Taluk Boards will show better progress and see that a major number of the incompleted wells (viz.218) are completed during the year.

9. District Board Railway.

The receipts from railway cess on the several items of revenue and interest on the investment amounted to Rs.96,616. Early settlement should be effected regarding the accounts relating to this railway by taking into account the income creditable to the Board and the working expenses debitable thereto.

10. Public Health.

The number of births and deaths was 8,991 and 8,623 respectively during the year. The public health was generally good and it is seen that the

was a less number of deaths from plague, cholera and small pox.

Village sanitation rules have also been made applicable in 1680 villages and it is satisfactory to note that the local people are realizing their responsibility in this direction. The disposal of building licenses has also received better attention during the year. Out of 1799 applications, 1214 have been disposed of leaving 585 pending at the close of the year. Removal of prickly pear and rank vegetation has also received some attention from the villagers. The number of vaccinations done during the year shows a slight improvement, the number being 15,532 as against 12,200 in the previous year.

11. Miscellaneous.

In addition to the exhibitions held in connection with each taluk -- conference, a District exhibition was also held along with the District Conference. It is hoped that these exhibitions will stimulate the interest of the people in the development of industries, arts and manufactures relating to the District.

The accounts of the Board were audited by the auditors of the Comptroller's office and the special Finance Committee of the District Board and no serious irregularities were noticed.

12. General

The Local Self Government Scheme has been in operation for over a year. Bye-laws have been framed in some instances and a -- portion of the revenues has been made over to the Taluk Boards. It is hoped that the -- members will evince the amount of interest that is expected of them in the working of these local bodies. ~~It is hoped~~ that the President of the District Board and the -- other local officers will bring home to the people their responsibility in the matter.
